WORLD TRAVEL AWARDS™ WINNER WALL PLAQUE

Receiving a World Travel Award™ is a world-class achievement that provides you, the Winner, with the ideal marketing tool to promote your winning products and services ahead of your competitors.

The World Travel Awards™ Winner Wall Plaque is perfect for display outside premises, in hotel lobbies, receptions, sales counters in fact anywhere you want the public to see that you have been voted the best of the best within World Travel Awards, the most comprehensive and recognised travel awards programme in the world.

CONSTRUCTION

The wall plaque is produced from a base of 30 pound High Density Urethane (HDU) which is then coated with a cold applied, real metal coating. This patented LuminOre® Metalizing Process is up to seventy-five percent real metal and is in use worldwide as an architectural and industrial coating. LuminOre® is well established, reliable and extremely durable. After application, it has all the properties of cast or sheet metal but without the limitations.

DIMENSIONS

10 x 10.5 inches
25.4 x 26.7 centimetres
